Politics is different and National security is different: Rajnath Singh

15: Union Minister for Defence Rajnath Singh has said that there should be no misconceptions about the establishment of the Indian Navy Radar Station in Damagundam forest of Puduru mandal of Vikarabad district in Telangana. Today, on October 15, Rajnath Singh laid the foundation

stone for the Naval Radar Station. On this occasion, Rajnath Singh said, politics is different, National Security is different. There is a misconception that there will be a threat to the environment. The Center is committed to environmental protection, if there is an impact on the locals, they promised to resettle them. There is no bad effect from very low frequency (VLF) on the natives. VLF contributes to the economic progress of the locals. Rajnath Singh commented that the employment opportunities for the locals will increase. While, : Defence Minister Rajnath Singh stressed that maritime security is a collective effort and inviting "outside forces" to the doorstep would dent efforts for unity. Speaking after laying the foundation stone for a Very Low Frequency (VLF) Naval Station at Vikarabad near Hyderabad, he said maintaining peace in the Bay of Bengal and Indian Ocean region should be top priority. Cooperation of India's friendly nations is essential in this effort, as even if one country is left out, the nation's security will be at

Vikarabad/Hyderabad, Oct risk, he said. "Bharat believes in bringing all together and not breaking. That is why we are making every possible step to take the friendly neighbouring nations along.

The VLF naval station will prove to be very important for maritime forces when it becomes functional, he said. The upcoming radar station at Damagudem forest area in Vikarabad district is the Navy's second VLF communication transmission station in the country. INS Kattabomman Radar Station at Tirunelveli in Tamil Nadu was the first of its kind, a Telangana government release said. Telangana Chief Minister A Revanth Reddy, Union Minister Bandi Sanjay Kumar and other dignitaries were present on the occasion. Earlier in the day, while addressing mediapersons in Hyderabad, Union Minister G Kishan Reddy said it was a proud moment for Telangana as the project (radar station) is important in terms of national security. Refuting the allegations made by BRS leader K T Rama Rao, that his party is opposing the construction of the radar station in Vikarabad district as it would create ecological imbalance, Reddy said it was the previous K Chandrasekhar Raoled regime which gave land and permissions to the Centre."In December 2017, Telangana government's Forest Environment Department gave

The LG's emissary had handed over the letter to Abdullah and informed him about the date and time of the swearing-in ceremony. Abdullah was unanimously elected the leader of the NC Legislature Party on Thursday, setting the stage for his second term as chief minister. His first term, from 2009 to 2014 when Jammu and Kashmir was a full-fledged state, was also under an NC-Congress coalition government. The NC won 42 out of the 90 seats which went to poll in the recent elections, while the Congress won six. Together, the two prepoll allies hold a majority in the 95-member assembly five members are to be nominated by the LG. Their strength is further bolstered by the support from five Independent MLAs-elect and a lone AAP MLA-elect.
